Trade Set Aside	CSBE	

#### Reasons for Recommendation

An analysis of the factors contained in Section VI C of Implementing Order 3-22 indicate that a Trade Set-Aside is appropriate in the trade of: Traffic Stripes and Markings: Painted and/or Thermoplastic.

This project is a resubmittal from June 24, 2011. It was previously reviewed and approved as a Trade Set-Aside under RPQ No. 20110059, which was cancelled due to two (2) of three (3) bidders being deemed not in compliance with the Trade Set-Aside requirements. The Trade Set-Aside requirement for the Adjusting/Reconstructing Existing Structures scope of work is being removed as it is not considered a Specialty Trade Component but rather an incidental scope of work required for project completion.
